2. The consolidated list of subject-wise courses is placed at **Annexure-II**.
3. Region-wise list of courses is placed at **Annexure-III**.
4. Overall details of participants are placed at **Annexure-IV**.
5. Details of Orientation Programme are placed at **Annexure-V**.
6. The approved norms of expenditure for each spell are placed at **Annexure-VI**.

Please note:

1. **Lists of Participants of various courses will be circulated by Director, ZIET Mumbai. The Principals concerned will check the details of the participants of their Vidyalayas and report modifications, if any, to the Deputy Commissioner of the Regional Office concerned and intimate the same to ZIET, Mumbai.**
2. Wherever Directors, Associate Directors and Resource Persons are not identified or wherever changes are to be effected in exceptional circumstances, the Deputy Commissioner of the Regional Office concerned shall identify and depute suitable officials in consultation with the Course Directors and intimate Jt. Commissioner (Trg.) of the same.
While selecting Directors / Associate Directors / Resource Persons the following aspects would be carefully considered by the ROs:
 - a) Assistant Commissioners/ Principals/ Teachers who underwent TOT courses of DoP&T at various Administrative Training Institutes/ trained in constructivist approach of learning at HBCSE Mumbai/underwent Educational study tours abroad, etc.
 - b) KVS Incentive Awardee /National Awardee Principals, Vice-Principals, HMs and teachers.
 - c) Teachers deputed by KVS under Teacher Exchange Programmes/ Cultural Exchange Programmes like Fulbright Scheme/ Japan Teacher Exchange Programme, etc.
 - d) Teachers who have undergone Diploma course in Guidance and Counseling from NCERT.
 - e) Teachers who have undergone PG Diploma in School Leadership and Management from NUEPA.
 - f) Teachers deputed by KVS under specialized trainings in NCERT/ NUEPA/ CBSE/ TTRI/IIMs/NIFM etc.
 - g) Teachers trained in innovation in Mathematics Education at IDC, IIT Mumbai.
3. It is to be appreciated that a teacher has to be a life-long learner. The In-service courses are opportunities for teachers to update their knowledge and upgrade their pedagogical skills. Besides, resources should be used optimally as KVS spends considerable resources on the organization of training programmes. In view of this, the Deputy Commissioners should ensure that all the identified teachers are deputed to attend these courses without fail. **Further, dropping out by the teachers in the last minute on flimsy grounds needs to be reduced. The Commissioner has desired that all the teachers deputed for the courses attend the programme without any exception.**
4. When a teacher seeks exemption from attending the In-service course, such an application needs to be submitted to the Deputy Commissioner of the Region by the Principal along with his/her clear recommendation and record of teacher's refusal to attend such courses in the past, if any. The Deputy Commissioner shall then decide the case on merit and communicate his/her decision to the individual concerned through the Principal; and also to the Course Director as well as the Director, KVS ZIET Mumbai. **A note regarding such exemptions/absence should be put in the service records of the employee for future reference.**

Note: The issue of absenteeism in the In-service Course has been viewed very seriously by the competent authority. To curb absenteeism in the In-service Training Programme, it has been decided to temporarily **withhold the increments of teachers who absent themselves from the In-service Course without proper exemption from competent authority.** The increment will be granted to the teacher after undergoing the In-service training programme. It is also clarified that the teachers who have been granted exemption by the competent authority from attending the In-service Training Programme this year will have to undergo the In-service course in the next academic session, failing which, their increment will be withheld. The instructions in this regard have already been issued vide KVS letters no.F.110338-1/2013-14-KVSHQ(Acad) dt. 18.10.2013 and dt. 11.09.14 for strict compliance.

5. KVS receives representations from the teacher(s) for change of training venues. Normally the Deputy Commissioners should not entertain such requests as it disturbs the training plan.

However, in case of genuine reasons such representations should be disposed of at the level of the Deputy Commissioner concerned. The change of venue on **genuine grounds** may be considered and should be communicated to the concerned Director, KVS ZIET, to the Course Director and the Venue Principal concerned at least 10 days before commencement of the course. **Such teachers shall not be eligible for TA.** However, DA will be paid for the training period as per KVS rules.

6. The following points are to be noted regarding the participation of teachers in the In-service course 2018-2019:
 - a) In case of courses being conducted in collaboration with outside institutions, names of teachers should not be added except with the approval of the Joint Commissioner (Trg.). In case such names are forwarded, then details of when the teacher completed his last course, date of superannuation and due date of senior/selection scale may please be mentioned.
 - b) It should also be ensured that **no teachers are left out who are due for grant of senior scale / selection grade on or before 30.6.2019 and have not attended any in-service course between 2014 and 2018 in the same cadre.** In case names of such teachers are not included in the list already sent by you, their names should be sent to the concerned Deputy Commissioner of the region for approval.
 - c) **The teachers who are absent for spell I during April/May 2018 will NOT be allowed to attend spell II during December 2018. Their names should be sponsored only in the next session.**
 - d) As both the spells of the In-service Courses have specific objectives and specified modules, it is considered essential that teachers should attend both spell I and II mandatorily in the chronological orders. Measures have been taken to make the second spell distinct and more meaningful. **Henceforth, those teachers who are unable to attend the second spell of In-service course, for whatever reason, will not be permitted to attend the first spell next year. Such teachers will have to attend spell II of the In-service course of the next session to successfully complete their In-service course.**
 - e) **If a teacher does not complete the in-service course within two consecutive academic sessions (by attending the second spell either in the same year or in the following year) he/she will have to also attend spell I again.**
 - f) **It is to be noted that such teachers (as described at c, d & e above) will themselves be responsible for any financial loss to hem due to the delay in completion of their In-service course.**
7. The Director ZIETs and Deputy Commissioners concerned will ensure that all the Directors / Associate Directors and Resource Persons identified for conduct of the In-service courses attend the Orientation Courses as per the schedule given in Annexure-V.
8. **The Orientation Programmes / In-Service Courses should be conducted as per action plan given below:**
